Dear Parent/Carer

Year 7 End of Transition Consultation Evening Thursday 11th October 2018

For parents/carers of Year 7 students, this evening marks the end of the transition process and is an opportunity to discuss how your child has settled, as well as share any concerns you may have.

This Tutor evening is in addition to the usual parents evening later in the year, where you have the opportunity to speak directly to each of your child's teachers.

This year we have asked students to contribute more to the event by being actively involved in the conversations that take place. They are a vital part of the process and will be able to tell you how they feel they are settling into this important year. **Therefore, it is vital that your child attends the event with you and brings their planner.**

Tutors will be making appointments for 10 minute sessions between 4.00pm and 6.30pm.

Please discuss with your child when the most convenient half-hour window of time would be and record this in your child's planner. Our tutors will do their best to accommodate your requests but cannot guarantee any time.

Our Year 7 Pastoral Team will be on hand for any queries which may arise and we will be asking for your insight on sharpening the transition experience for students and their families joining the Marches school in the coming years.

If you have any questions about this event, please speak with your child's tutor in the first instance.

Yours sincerely

C Boyce
